Dear Sir: -

It was my pleasure last evening
(Saturday) to hear an orchestra play some popular pieces over your
station.

I picked you up at 7 o'clock E.S.T. on 400² or near
it. It was very weak but I made out "de Janeiro" and would like
to know if it was you.

Kindly help me verify this by writing to me.

Sincerely

Mr. Thomas Feeney Jr.
