This coupon may be exchanged in any country of the Postal Union for a postage stamp of postage value representing the postage on a single-rate foreign letter of 100 milligram weight, whichever of the amount of value.

9 cents

Can coupon peut être échangé dans tout les pays de l'Union postale en timbre-poste au des correspondants représentant la valeur de l'affranchissement d'une lettre simple à destination de l'étranger; il est valable pendant un délai de 6 mois, non compris celui de son émission.

Canada.

12 Cambridge Ave.,
Hamilton, Ontario,
Canada,

April 2, 1931.

Messrs. Radio Station FRAA,
Rio de Janeiro, Brazil.

Gentlemen:

On Feb. 1, I heard a broadcast as follows on my home-made four tube set which may have been from your station. I thought it was another station but they have not replied. I heard:

Foreign announcement at 2:55 a.m.

Musical selection--Orchestral.

Announcement and time signal at 3:00 a.m. Eastern Standard Time.

Another musical selection.

If this was your station, I would very much appreciate it if you would reply and say "This verifies your reception of station FRAA." Please reply in English for which I enclose reply postal coupon.

Yours truly,

William Dyson

William Dyson.
